Contact us! We can help you with...

Talent Recruitment

After fully understanding your company needs, our experts identify a highly qualified pool of talented candidates for your consideration. We minimize your recruitment costs by:

- Advertising your recruitments for free
- Recruiting talent based on your specifications
- Screening applications to identify the most qualified
- Providing job readiness training at no cost to applicants
- Holding job fairs and providing venues for interviews
- Linking candidates to assistance with transportation options, child care and other resources
- Providing information for you about tax incentives, business demographics, employee commute patterns, occupational wages and more

Training, Employee Retention and On-The-Job Experience

We'll work with you to retain employees and minimize turnover by:

- Offering EARN Maryland grant opportunities for incumbent worker skills training
- Connecting you to on-the-job training programs
- Providing information about apprenticeships and college internships
- Assisting with succession plans in preparation for staff retirements
- Establishing career pathways for employee growth and retention
- Re-tooling employees for new technologies and new lines of business
- Assisting with employee transitions resulting from company downsizing
